Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### A Free Man Of Color

A Free Man of Color is a play written by John Guare.The play is set in New Orleans in 1801 as the United States is attempting to purchase Louisiana from France, as well as some scenes taking place in Haiti and France.The story follows main character Jacques Cornet, "a new world Don Juan" and the wealthiest colored man in New Orleans. Cornet gains all of his money from his father who is a ...

### A Free Man of Color - Wikipedia

The free people of color won a major political battle on May 15, 1791 when the National Assembly in France voted to give full French citizenship to free men of color. The decree restricted citizenship to those persons who had two free parents. The free people of color were encouraged, and many petits blancs were enraged.

### Benjamin January Series by Barbara Hambly

The first free blacks in Louisiana were probably slaves who escaped and lived with American Indian tribes. A court case from 1722 is the first record of a free man of color in the struggling colony. Two years later, a free black man filed suit against a white man. The earliest record of a marriage between two free people of color dates from 1725.

### Free People of Color in Louisiana

Thomas Day: Master Craftsman and Free Man of Color fully examines the extraordinary career of Thomas Day (1801–about 1861), who owned and operated one of North Carolina’s most successful cabinet shops before the Civil War. His surviving furniture and architectural woodwork still represent the finest of nineteenth-century craftsmanship and aesthetics.

### Thomas Day: Master Craftsman and Free Man of Color ...

Free people of color--people of African descent who lived in colonial and antebellum America and were born free or escaped the bonds of slavery before it was abolished in 1865--made significant contributions to the economies and cultures of the communities in which they lived but held an anomalous status in the racial hierarchy of the day.

### Free People of Color in Louisiana

The term "person of color" (plural: people of color; sometimes abbreviated POC) is today primarily used to describe any person who is not considered white.In its current meaning, the term originated in, and is primarily associated with, the United States; however since the 2010s it has been adopted elsewhere in the Anglosphere (often as person of colour), including relatively ...
