Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

Electronics CET Certification Study Guides and Practice Tests

Don't think you can study this and pass the CET. As it says on the cover, it is a study -guide-. The CET Journeyman requires that you have several years working in the field and the Associates you should have already been studying, so you should only require a review. That said, this book's worth as a review is seriously marred by all the mistakes.
