It's easy to search
Wikibooks by topic,
and there are separate
sections for recipes
and childrens'
textbooks. You can
download any page as
a PDF using a link

hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want
