Remember that sociologists define culture differently than they do cultured, high culture, low culture, and popular culture. Sociologists define society as the people who interact in such a way as to share a common culture. The cultural bond may be ethnic or racial, based on gender, or due to shared beliefs, values, and activities.

pertaining the  
reflective assessment  
and critique of society  
and culture in order to  
reveal and challenge  
power structures. With  
origins in sociology as  
well as in literary  
criticism, it argues that  
social problems are  
influenced and created  
more by societal  
structures and cultural  
assumptions than by  
individual and  
psychological factors.
