EEL 3552C Lab Manual Laboratory Safety Information Introduction The danger of injury or death from electrical shock, fire, or explosion is present while conducting experi- ments in this laboratory. To work safely, it is important that you understand the prudent practices necessary to minimize the risks and what to do if there is an accident.

EEL3552C Lab Manual - ECE Department
The laboratory notebook is a record of all work pertaining to the experiment. This record should be sufficiently complete so that you or anyone else of similar technical background can duplicate the experiment and data by simply following your laboratory notebook. Record everything directly into the notebook during the experiment.
