## George The

American

Revolution As

Seen From Both

Sides

There are two sides to every story. Rosalyn Schanzer's engaging and wonderfully illustrated book brings to life both sides of the American Revolution.

The narrative introduces anew the two enemies, both named George: George Washington, the man who freed the American colonies from the British, and George III, the British king who lost them.

## George The

was the King of Great Britain from October 25, 1760 till his death in 1820. His reign saw a number of important events including the American Revolution, which lasted from 1765 to 1783. To recover costs of the French and Indian War in North America, King George decided to tax the 13 British colonies in the continent.
