Belinda Carlisle - Half The World (HQ) - YouTube
If Half the King was awesome, Half the World was twice as that. If Half the King blew my mind away, Half the World exploded it to smithereens. I'm not sure how Joe Abercrombie did it, and honestly, I'm kinda scared to know, but somehow, he managed to make the second book of this amazing series even better than the first.

Half the World (Shattered Sea, #2) by Joe Abercrombie
"Half the World remains true to the standard Abercrombie has set for himself, an entertaining read that stands firmly on its own, despite being the second in a series. It's a thoroughgoing blast, a violent, beautiful rabbit hole of craft that is well worth disappearing into for a few hours or days." Shelf Awareness

Half the World - Joe Abercrombie

Half the World Quotes by Joe Abercrombie - Goodreads
"Generally speaking, the world is half-civilized, and the other half goes by the law of the jungle," he claimed, without elaborating on which countries he believes function in which manner. "Yet all countries need to be able to take temporary setbacks.
