Guide From 1937 to 1961, Chrysler Corporation sold a series of “junior” DeSotos in export markets. Virtually unknown to most collectors in the United States, these junior DeSotos were based on the smaller Plymouth body shell, and used—in most cases—lookalike grilles, with real DeSoto nameplates, hubcaps, and other trim.

That one is most likely a US car as it's in Washington State (I didn't buy it, hopefully someone does) although it's only a couple hundred miles from the Canadian border so who knows. It looked really straight and solid, would be a nice resto project. The yard it's in has some pretty cool old stuff and is in a really dry area so most of it was still solid. If
