Starting a Painting Business - Operations Manual

1. If you have mixed batches of coloured paint then they should be 'boxed', mix all the paints in a large container ensures colour consistency. If this is impossible, use the different batches in areas where the colour cannot be directly compared. 2. Use either ready-mixed or tinted paint - do not use both on the same job. 3.

Operations Manual Painting and Decorating

The Carrier O & M Manual will be added to other information collected by the mechanical subcontractor and passed on to your General Contractor for inclusion in their operation and maintenance books. When a mechanical contractor overlooks the checklist in the back of Carrier's manual it doesn't get filled out.
