POLAROID Camera Instruction Manuals - Butkus

The EE100 Special is one of Polaroid's second generation of folding, 100-series packfilm cameras, made for a few years from bout 1989. It is similar to the earlier EE100 and The Reporter from 1977, and the Pro-Pack. The EE100 Special can use both 100-series and 80-series packfilms, and the fixed non-focusing viewfinder has guides to show the frame size for each.

Polaroid EE100 manual help? i've looked everywhere on the net for a manual for the EE100, i would want an online manual that is free. does anyone know where i could get a free manual online??? Update: i also cant find a place were they can check whether my polaroid would be working or not anybody know a place in Melbourne?

Polaroid EE100 manual help? | Yahoo Answers

The EE100 can use both 100-series and 80-series packfilms, and the fixed non-focusing viewfinder has guides to show the film sizes for each. Focusing is carried out by turning the distance-marked front lens element; unlike the original Polaroid 100-400 series folding packfilm cameras, this series features no rangefinder mechanism.

There is a very large variety within this vast range of essentially similar folding Polaroid models. The best 'standard' models are the 100, 250, 350, and 450 variants of the line. These feature a coupled rangefinder designed by the German firm Zeiss Ikon, rigid metal bodies and 3 element glass lenses. Most other models, such as the 103, 220 or 430 have a much cheaper build quality and features ...
