Covid-19 virtual recruitment and selection statement. The Royal Society understands there are new challenges with recruiting staff during the Coronavirus (COVID-19) pandemic, particularly where a key part of the recruitment and selection process is the ability for both the candidate and employer to have the opportunity to meet in person.

Jobs at the Royal Society | Royal Society

Careers for doctors Whenever tissue is taken from a person's body to be examined, a histopathologist is responsible for examining the sample and returning a diagnosis. Hospitals process tens of millions of histopathological slides every year, which explains why histopathology is the largest specialty in pathology.

Become a histopathologist

The Royal College of Physicians (RCP) is a professional membership body for physicians that supports the work they do by providing, among other activities, advocacy, examinations, education and training, and membership support.
