**Social Service And
The Art**

Dr. Richard Cabot in "Social Service and the Art of Healing" calls attention to some of the bad results that follow the use of the placebo. He says that it fosters the patent medicine habit, and the habit of selfdrugging. It gives the patient indirectly a

Social art is the application of arts and creativity towards the transformation of

individuals, groups and societies by working with your target audience as opposed to for them. =

November 2017 A

Social art practice is one where the artistic and creative medium is but a tool too transform the actual canvas that is people, groups and societies.

human interaction and social discourse. Since people and their relationships form the medium of such works – rather than a particular process of production – social engagement is not only a part of a work's organization, execution, or continuation, but also an aesthetic in itself: of interaction and development. Socially engaged art aims to
