The Crucible of Language From the barbed, childish taunt on the school playground, to the eloquent sophistry of a lawyer prising open a legal loophole in a court of law, meaning arises each time we use language to communicate with one another. How we use language – to convey ideas, make requests, ask a

### The Crucible of Language

The Crucible – Use Of Language The fact that Miller uses language from the period in which the play is set adds to the authenticity, giving the characters more credibility and so are more believable – once again this is a device that Miller uses to perpetuate his flair for realism making his work stand out from the popular plays of the time.

### The Crucible – Use Of Language essays

Arthur Miller used the actual language of the 17 C. to make the play ostensibly authentic. Though his intent may be to expose the damage done by hysterical and misguided authority figures to hapless victims during the McCarthy era of America in the 1950’s, he sets his scene in the time of the witch hunts of the 1690’s to gain perspective and remoteness; abuse of power is a perennial issue ...
