The Journal of Research in Reading provides an international forum for research focusing on literacy. It is a peer-reviewed journal principally devoted to reports of original empirical research in reading and closely related fields (e.g., spoken language, writing), and to informed reviews of relevant literature.

Journal of Research in Reading - Wiley Online Library

Many studies have focused on the impact that reading to children has on children's linguistic competencies (e.g., Edwards, 2014; Raikes et al., 2006), but little is known about the age at which parents should start reading to their children, whether the age of first reading predicts the frequency with which a child is read to later on, or whether the age of first reading predicts children ...
